DIARY NOTES

DD/S

12 December 1962

1. Pay Coyne, from the President's Board of Advisors, telephoned for information on the number of grade GS-18's in the Agency whose salaries were increased to \$20,000 under the President's Pay Reform Act.

2. I telephoned [REDACTED] proposed assignment to [REDACTED]. He was worried about his grade inasmuch as there is only one other grade GS-15 there--the Chief of Station. He will look into it, however, and let me have his views.

3. Kirk advised me that the Director wished to nominate Art Lundahl for the National Civil Service League Award. I notified [REDACTED] immediately; and, since the deadline for submission is 17 December, I instructed him to ensure that the staff work was completed before the close of business on Friday, 14 December.

4. Shef Edwards filled me in very briefly and most confidentially on some rumors concerning [REDACTED]. He and one other individual are to meet with General Carter on this matter later today.

5. Matt Baird telephoned to say that, at the request of [REDACTED] and Mr. [REDACTED] he had agreed to assign [REDACTED] to duty [REDACTED] for a period of up to four months. While Matt thought that Al could be of some real benefit to the base, this action was initiated by the [REDACTED], DD/P, in order to get Al out of a "tense attitude". I told Matt to have a very frank talk with Al and to make sure he understands that I know about this detail and that if his conduct at the base is out of line in any respect whatever he will be sent back to headquarters immediately.
